Profile

I'm a dedicated inspiring Interior Designer with a passion for creating functional and aesthetically pleasing layouts that meet the every need and desire for the interior design project.

Employment History

Basement transformation

May 2023 — June 2023

As a studying interior design student, I turned an unorganized and messy soccer/workout space into a cleaner, more conventional space to play soccer and do at home workouts by getting rid of the unnecessary furniture and replacing it with more functional pieces.

- Designed and implemented a modern interior design for a residential space that improved the home's aesthetics and functionality
- Researched trends in interior design to select styles, furniture and accessories that rePected the client's vision

Education

Danbury High School , Danbury

August 2021 — Present

Continuing through high school with high honors

4.0 Average

Taking all honor and AP classes

Outlook - Architecture Class

March 2023 — April 2023

This class educated me on the different types of structures and designs around the world. This will help me pin point the cultural designs in any interior design project.

Outlook - Interior design 101 Class

April 2023 — May 2023

This class educated me on learning the different types of interior designs, color, texture choices, and creating templates/projects for future designs.
